The Vision of the Godzwa Family, Missionaries to Mexico

We see the Yucatán peninsula full of churches diverse in class, status, education, and language, but united in their love for the Lord and one other.

These believers are redeemed by the blood of Jesus Christ and dedicated to serve Him and extend His influence throughout the world. They are involved in their communities, developing them through an integrated message that moves the heart and feeds the spirit

while offering practical solutions for problems, both those apparent and those yet to be discovered.

These churches are hospitals for the spiritually sick, shelters of refuge for the afflicted in spirit, schools of discipleship for the newly converted, and training centers for the christian worker. They have a passion to participate in the redemption of their community and a vision to reach the whole world.

We see this vision being accomplished as we partner with the Mexican Assemblies of God to:

Reach communities: The District of Yucatán has set a goal to plant 100 churches in the next 10 years. We're committing our time, effort, and resources to helping them reach that goal.

Break bondages: Where the church reaches out it encounters those trapped in

affliction and destructive lifestyles. Through the power of the Holy Spirit and ministries of compassion we aim to provide a way out.

Transform lives: As individuals have a true encounter with the Word of God applied to their context, their lives will be changed. We seek to provide this encounter for all who live in or visit the Yucatán.
