The Quarterly Publication of the Godzwa Family, Missionaries to the Yucatán

Ready, Set. Go!

The big move is complete, and ministry is beginning! On August 4th, our family arrived at the Springfield-Branson Regional Airport with 10 bags and our dog, Kaixin, to begin the trek to Mérida, Yucatán, México, marking the beginning of our third four-year term. A little over a month later, several milestones have been accomplished:

- **We've located, rented, and moved into our new home.**
- **We've updated our status with the Mexican Immigration Department** ensuring two full years of legal residence.
- **We've renewed our driver's licenses,** enabling us free movement on roads throughout the state.
- **We've serviced our STL vehicle,** which had been in storage since February.
- **We've enrolled our kids into school.**
- **We've had the opportunity to reconnect with ministry partners,** rejoicing with them for what God has been doing.

- **We've met with key ministry leaders,** like new District Superintendent Magaly Balam (pictured above), sharing our vision and receiving enthusiastic response.

Thanks so much for your prayers and support during our time of transition. We're anticipating four fruitful years of ministry in the Yucatán!

Relate

This school year brings **dramatic change for our trio. Joseph and Jonathan are attending Centro Educativo Calvary,** where they're **diving head first into their subjects in Spanish!** **Rebekah is taking courses online with Alpha Omega,** hoping to get a head start on college and take an active role in ministry.

Teaming up to Equip Future Leaders!

Our vision is to see the Yucatán full of churches, but **churches cannot be planted without trained leaders. That is why we are teaming up yet again with Instituto Bíblico Bethel to fill this**

need. David is joining with fellow teachers, (L-R) Jazmin Sanchez, Fatima Chi, Elizabeth Chi, and others to inspire and equip students in the area of evangelism and outreach.
