

Special Edition: Marathon for Mexico

Six months of preparation have been invested. Over 700 miles have been logged. The date is drawing near, but all of our effort will far short without your participation.

This event, the Marathon for Mexico, a major date in our itineration cycle, will take place on November 1, 2009. Dave will be running 26.2 miles during the Bass Pro Conservation Marathon in Springfield MO, but the key to this marathon's success is in the sponsors that will commit to back our efforts per mile or with a lump sum gift to "Run with a Solution" for the people of Yucatán.

So, in this special edition of discipleMexico, I'd like to ask, "Would you participate with us?" Although September is the month in which the country of Mexico celebrates its independence, the people of the Yucatán have faced centuries of oppression at the hands of a succession of taskmasters. Our goal is to bring liberation to this region by mobilizing a church to reach beyond its four walls, becoming again salt and light to a broken society. Won't you be a part? Respond today!
