

Itineration 2009-2010: Running with the Solution

"Let us run with perseverance the race marked out for us"

—Hebrews 12:1

It's real; after four years on the field, our stay here in Mexico is coming to an end. Nevertheless, our calling is for a lifetime. We are returning to the States, in June, but our stay will be limited because our call, and our heart remains here in Mexico.

So why do we return? We return to share with you what we've seen, heard, and experienced. We return to share with you about the progress we've made, the ongoing need, and to encourage you to believe that you can be a part of the solution.

The city of Mérida, where we are currently based, is a beautiful city, but just beyond its façade lies the tragic reality of addiction, violence, and hopelessness. As we've partnered with the district of Yucatán, we've

taken steps to address these issues, reaching, training, and touching lives in order to make a difference. But the work is far from over.

As the writer of Hebrews clearly states, our lives and our ministries are a long distance race. One burst of speed will not get us across the finish line. Nevertheless, we understand that, being in a race, standing still is not an option! For that reason, we've themed our upcoming itineration period "Running with the Solution." Running with the Solution means that we're not satisfied to rest for a year in the

States. It means that we will be running, literally and figuratively, as we travel the country to raise awareness of the situation we face here each day, with the hope of creating and reaffirming relationships, so that we can return to apply the solution where the need continues to be great. Keep an eye on our site [disciplemexico.org](http://www.disciplemexico.org) for all of the details.

relate

Our MKs continue to be active! Rebekah did us proud in the school spelling bee.

Joseph is raising fish for his science project, and Jonathan took first place in his school's Mini-Olympics.

Still Running in Mérida

Returning from the World Missions Summit in January, we hit the ground running, sharing throughout the state of Yucatán on stewardship principles designed to reach non-believers and to free believers to serve God without restraints. The conferences were a great success and we have been invited to continue to share the material throughout the month of March.

Simultaneously, we concluded our final teaching period in the Bible Institute with evangelism training and outreach in the city of Tekax. There, first year students put their training in action, filling needs, both physical and

spiritual.

Concluding the event, we rejoiced as the pastor showed us his stack of commitment cards. New life had indeed come to Tekax!

We also had the privilege of hosting the AU Chi Alpha team, lead by my brother, Mike, which spent a week ministering and working in the city of Muna.
