## The Quarterly Publication of the Godzwa Family, Missionaries to the Yucatán

### Realizing the Vision Through Partnership

In our January update, we outlined the way in which we see our church planting vision being realized. A key aspect of this mission is partnership. **In the same way that we need friends like you to send us and sustain us on the mission field, so we need key individuals to come alongside us in the work** if we are to see the Yucatán full of churches.

**We're happy to say that many of those key people are currently in place. You've already met Felipe Sabido and Miriam Pech in previous newsletters.** Felipe, the current director of the Bible School, is a pivotal partner in equipping the next generation of church planters, while Miriam is a

that had been lost due to flooding, while a new work in Polhuacxil has grown to 15 people!

Through Rangel, Miriam, and Felipe, we see the mission being carried out and the vision being fulfilled. **Thanks for your help in sending us to join these and recruit others like them!**

### Relate

There is a lot going on at home! Rebekah has her permit, but has found it hard fit in practice between snowstorms, theater, and track practices. Joseph has set a goal to run a half marathon in March with his dad, and Jonathan has hit a major growth spurt, surpassing both his siblings in height!

### So Close We Can Taste It!

Our ongoing itineration period has seen us log over 25,000 miles in the 8 months we've been in the US. In that time, **we've reached 93% of our monthly support budget and 89% of our startup cash**

**requirement.** The goal line is within reach! It's time for the final push! Join us in one of our upcoming 44 services or visit us at the SOMO District Council to partner with us to make it happen! **More @ <http://bit.ly/1NLoiJ>**
