GODZWAS
MEXICO AREA DIRECTORS
DAVID AND KELLY
REBEKAH, JOSEPH, AND JONATHAN

ABOUT US

We are David and Kelly Godzwa. Since 2006, we and our children, Rebekah, Joseph and Jonathan have lived in Mérida, México, working to fulfill a vision of the Yucatan Peninsula full of churches, diverse in class, status, education, and language, but united in their love for the Lord and one another. We've been extremely blessed to have seen the fruits of our labors: local churches mobilized, new ministers trained and new churches planted. Still, as we strive to keep in step with the Spirit we find ourselves...

HEARING AND RESPONDING TO THE LORD'S CALL *to go beyond...*

The familiar places, relationships, and experiences to embrace a larger vision, the accustomed roles and responsibilities to accept a larger sphere of influence, and the dependence on our own abilities to a place where radical faith is required. As of July 1, 2019, we accept the appointment of the Executive Committee of the Assemblies of God World Missions as Mexico Area Directors. In accepting this position, we have the privilege of collaborating, not only with the national leadership of the Assemblies of God in Mexico but also coordinating the ministry of the 24 missionary units serving in country to make real strides in fulfilling this vision.

David and Kelly's years of missionary experience, including in leadership training and church planting, will distinguish them in their role as Area Directors for Mexico. As Area Directors, they lead the Mexico missionary team in reaching the many that still do not know Jesus and as part of the Regional Leadership Team influence the direction Latin America Caribbean. Thank you for your support of David and Kelly. It will make a difference in Mexico and in our Region.

JOHN 10:16

If human love does not carry a man beyond himself it is not love. If love is always discreet, always wise, always sensible and calculating, never carried beyond itself, it is not love at all. It may be affection, it may be warmth of feeling, but it has not the true nature of love in it.

OSWALD CHAMBERS

CALL

Having his traditional beliefs ripped apart at a young age, David sought after a relationship with God during a youth retreat. There at the altar, God not only met him but also called him to the mission field. Following this call, David pursued a missions degree at Central Bible College and, later, earned a Masters of Divinity from AGTS. On the field in Mexico, David has applied his education, teaching both in the church and Bible Institute, while reaching out in practical ways to a culture that in many ways reflects his childhood experiences.

Kelly's call came in a similar way to David's - at an altar at the age of fourteen. Her degree is from Evangel, and she has experience in secondary education. With her love for building relationships and communication, Kelly has found pleasure in ministering to all ages, forming friendships with the people of Mexico, both young and old.

David and Kelly together with their children Rebekah, Joseph, and Jonathan have made their home in Mérida, Yucatán, Mexico since 2006, ministering to the people of the Mexican southeast.
