SPRING 2025 NEWSLETTER

Our Northern Triad Area Director Role

We are so grateful for your partnership as we serve the Northern Triad—Mexico, Cuba, and the Dominican Republic. As we conclude our participation in the Latin America Caribbean (LAC) Area Director (AD) Meetings, **we want to share more about our role** and how your support empowers us to come alongside our 69-member global worker team, equipping them to thrive in their calling as they share the hope of the living Jesus with a population largely unengaged by an accurate representation of the gospel.

One of our greatest joys is caring for global workers and their families. Through **member care**, we encourage them, foster healthy relationships, and provide crisis support when challenges arise. We want to see each one thriving, both in their ministry and in their personal lives.

We also have the privilege of providing **strategic direction**, helping global workers navigate their calling, strengthening collaboration with the national church, and ensuring clear and effective communication. Strong

partnerships are key to advancing the gospel, and we are committed to fostering them.

In addition to guiding the work, we carry the responsibility of **administrative oversight**, monitoring ongoing operations and making key decisions to ensure the overall ministry remains effective and sustainable. There's always something to navigate, but we're thankful for God's wisdom and grace in leading through each challenge.

Another area close to our hearts is **leadership development**. From the very start of a global worker's assignment, we look for ways to help them grow. Through training, mentoring, and ongoing support, we invest in their potential, equipping them for greater impact.

Every step we take is possible because of your prayers, generosity, and heart for missions. **Thank you for standing with us** as we support those establishing the Church among all peoples in the Northern Triad!

The LAC AD Team met last week to make strategic decisions and improve our member care services.

Part of our leadership development role includes competency training. Last month, we led new global workers through online Bible training.

While serving as ADs, we're also connecting with supporters nationwide—here with Life Stream Church at their missions convention.

Back to Mexico: We'll be heading to Mexico April 7-11 for our Missionary Retreat! Please pray for refreshing worship,

meaningful connections, and impactful sessions as we come together with our Mexico team. We're looking forward to a great time of encouragement and renewal!

In January, we visited our daughter, Rebekah, in Santa Cruz, CA. We spoke at Christian Life Center, where her husband, Luke, is the youth pastor, and also saw him commissioned by the church.

We're still itinerating...

But available dates are filling up fast! Even now, though, scheduling us is a snap! Scan the QR code or use the link <https://s1.ag.org/visit> and book us for a meeting, window, or service today!
